### 2. LEGISLATIVE

- Because the Board of Neighborhood Commission (BONC) could not achieve a quorum and the Los Angeles Neighborhood Council Coalition (LANCC) (XXXXXX) Neighborhood Council respects the work and effort of the Commissioners of the Board of Neighborhood Commission (BONC). For its efforts to be effective, the commission must institute an attendance policy so that the Commissioners will be in attendance to do the work of the Neighborhood Councils. We also ask the Mayor's Office to review the attendance of the current Commissioners, and if any Commissioner has missed five meeting in the last twelve (12) months, the Mayor asks for that Commissioner's resignation and be replaced by an individual who will fully engage the Neighborhood Councils and the work they do, while fully representing the policies of the Mayor of Los Angeles. It is also critical that we request Mayor Garcetti to include respective Area Neighborhood Councils in the vetting process of persons being considered for appointment to the Board of Neighborhood Commissioners that represent that area. The Commissioner not only represents the policy of the Mayor, but also represents the issues of the Neighborhood Councils in that area.
