1. Bonnie Wolfe, Hack for LA, and Julien Antelin, DONE, Presentation of the Neighborhood Council Website project led by Hack for LA, a non-profit gathering civic-minded volunteers to build digital products, programs and services with community partners and local government to address issues in our LA region. This project will review the existing features on current websites and will conduct surveys to identify the needs of the community.
2. Steven Kuo, Civil Engineering Associate, from LADWP's Water Resources Division to present Operation NEXT. [More Information Here](#).
3. Discussion and possible action for the Los Angeles Neighborhood Council Coalition (XXXXXX Neighborhood Council) to support the idea of the renaming the [Youth Council](#) to the Olivia Mitchell Youth Council [CF 21-0182](#) . The Los Angeles Neighborhood Council Coalition (XXXXXX Neighborhood Council) is opposed to having the Department of Neighborhood Empowerment to be responsible for the Youth Council. The DONE does not currently have the bandwidth, staffing, or funding to take on another project because of budget and staffing cuts. The DONE cannot currently provide the support to the Neighborhood Council System it is mandated by City Charter to do. The Youth Council has always been under the guidance of the Mayor's Office, which provided staffing support and funding. If the City Council wants to have a Youth Council of their own, then the City Council should provide their own funding and staffing to support their own Youth Council.
