4. Council Files:
 - a. LANCC opposes CF 24-0867 as contrary to the spirit of the Neighborhood Council system and a violation of our autonomy.
 - b. LANCC recommends that every NC Board member and stakeholder who opposes CF 24-0867 file a personal statement against it in the Council File system because there is no statistical proof that long-term board members form a significant voting block on Neighborhood Councils, and because there are better ways (such as locally created non-voting Youth Representatives) which avoid the barriers of mandated training and two- or four-year terms for a seat.
 - c. LANCC recommends that BONC and/or DONE suspend training enforcement effective immediately.
 - d. LANCC urges the Department of Neighborhood Empowerment to implement a Customer Service input form on its website, with all input going to the General Manager with a copy to BONC.
5. Discussion and possible action on CF 24-0602 Synthetic Grass / Artificial Turf / Polyflouroalkyl Substances (PFAS) / Forever Chemicals / Health and Environmental Risks / Drought-Friendly Landscaping
