AGENDA

From the Ralph M. Brown Act, 1953

"The people of this State do not yield their sovereignty to the agencies which serve them.

The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know.

The people insist on remaining informed so that they may retain control over the instruments they have created.”

1. Welcome and Introductions:

Linda Gravani, chair VANC34.chair@gmail.com

2. Qualified Candidates – 2 minutes to tell us about yourself, your website, and what your plans are if elected.

Your NC can host a free-8 hour training course on

HOW TO HELP SOMEONE EXPERIENCING A MENTAL HEALTH CRISES

4. The Problems:

- Where is the City Planner who Plans the City?
- Where are the evacuation routes for these new projects as required by AB747?
- Who is checking to determine if emergency vehicles can maneuver the roads?
- Who is checking if the roads can accommodate additional traffic?
- MYSAFE:LA discusses mitigation of potential wildfires, but says nothing about density issues
- Who cares besides the people who live here?
- What if anything does affordable housing have to do with the safety of those already there
- **2025 Budget Advocates White Paper** on Fire Department

“Los Angeles Fire Department has the same number of stations that existed 30 years ago, while the population and the number of structures has grown immensely. The city has not kept up with the public safety needs of the stakeholders”
